“Operation Minuteman”

American Revolution Memorial

Veterans’ Memorial Park, Wichita, Kansas

Work continues on the newest addition to Veterans' Memorial Park!

Located at 321 Veterans Parkway (west of 2nd and N. Waco), Wichita, Kansas, on the north-east bank of the Arkansas River, the **American Revolutionary War Memorial** surrounding wall now has the capstone in place and is ready for the ceramic bas-relief mural to be installed as weather permits later in 2014.

Donations are still being accepted to fund the memorial, and tiles for “your favorite American Revolution Patriot” can still be ordered. “*Operation Minuteman*” has a listing of Revolutionary War Era individuals, women and men (i.e. Benjamin Franklin, Abigail Adams, and Lafayette) who have not yet been selected, or you can purchase a tile to honor one of your own family ancestors. Information on searching for your family members is also available.

Women and men who fought or aided in the Revolutionary War, are all eligible for this honor. The 8” x 8” tiles also have a line for the donor's name or other statement of choice.

For more information, www.amrevwm.com or email: info@amrevwm.com. Donations of any amount are accepted; each tile is a minimum of \$100. Benches are also available for your donations. AMREV is a 501(c)3 organization.
